- 2) I can promote student use of effective language learning strategies.
- 3) I can foster accurate student self-assessments of world language proficiency, aligned to world language standards.
- 4) I can facilitate students setting and reflecting on goals.
- 5) I can implement a unit cycle to promote the growth mindset.

Once we know that abilities are capable of such growth it becomes a basic human right for children, all children, to live in places that create growth, to live in places filled with

**YET**

	<b>FIXED</b>	<b>GROWTH</b>
goals	look smart	learn
values effort?	no	yes
response to setback	give up	work harder
academic performance	lower	higher

**Learning strategies**

**Self-assessment**

**Goal setting**

**Reflecting**
